

NC STATE (<https://www.ncsu.edu/>)
CENTENNIAL
CAMPUS

Welcome to one of the premier research parks in North America — uniting NC State University students and faculty, national and international partners, and the wider community of Raleigh, North Carolina.

CORONAVIRUS INFORMATION: NC State remains open with minimal on-campus operations, which may affect Centennial Campus partners and community members.

An Experience for Everyone

Trail walks, water sports, food trucks and movie nights. Live concerts, a best-in-class golf course and one of the world's most-awarded libraries. All of it open to the public.

Centennial Campus is a vital part of the Research Triangle community, and everyone is welcome here.

A Research Heavyweight

NC State is one of the top public research universities in the United States, and that success is backed by the private sector. On Centennial, we've created a world-class research environment for our faculty and partners — and a worldwide reputation for bringing ideas to market.
